- Molded polycarbonate end caps ensure that the computer is level when in the cradle
- Can be used with optional accessories (Screen

## NotePad V: Universal computer cradle

Adjust to accommodate almost any computer

Made of heavy-duty extruded aluminum, the 10.62" to 15.75". Computer widths exceeding 15.75" and no more than 16.5" can be accommodated by removing the side clips with additional installation. The cradle can also adjust to computer depths from 9.0" to 12.38" and a thickness of 0" to 1.5". Just move the side and rear clips to the size you need , then use the wing turn closure latch to lock the computer into place.

- Overall Dimensions: 1.62" H x 11.75" to 18.25" W x 9.5"D
- Weight: 6.5lbs
